Extra point Cards. We will have extra point cards that you can get special awards with when you come to Tri-Co events and trail ride and Parades That Tri-Co is participating in. There will be cards that you will get stamped for every event you attend at Tri-Co and every parade you participate in with Tri-Co. Once the card is full you turn in in for extra prizes that will be awarded every Winter Banquet in February.

Point Cards will have spaces for events and parades. When you go to the events/parades you will take your card and the coordinator of the ride/parade will stamp it for you. Once you have 10 stamps you can turn it in to Trail Master. You will receive a special made T-Shirt! No expiration on the point card as long as you are a member the entire time.
